Each of us has unique talents which, when brought together, provide more than the individual totals. The Nuclear Intelligence Panel has benefited immensely from the breadth of your experience and your valued contributions. Your long association with the Panel and your devotion to its mission have been key elements in the Panel's resolution of crucial issues that cross departmental lines. I deeply appreciate your dedication and wish you the best in future endeavors.

Sincerely,

/s/ William H. Webster

Dear [Redacted]

Each of us has unique talents which, when brought together, provide more than the individual totals. Your able technical assistance to the Nuclear Intelligence Panel in dealing with nuclear intelligence matters has played a key role in the Panel's resolution of crucial issues that cross departmental lines. I deeply appreciate your dedication and wish you the best in future endeavors.

Sincerely,

/s/ William H. Webster

Each of us has unique talents which, when brought together, provide more than the individual totals. Your valued expertise in naval reactors and nuclear-powered submarines, along with your generous devotion of time to the Nuclear Intelligence Panel's affairs, have been key elements in the Panel's resolution of crucial issues that cross departmental lines. I deeply appreciate your dedication and wish you the best in future endeavors.

Sincerely,

/s/ William H. Webster
